

# Counseling and Problem Solving Workshop

ANIMAL  
COMMUNICATION

Attend a special workshop with internationally renowned  
animal communicator **Jeri Ryan, Ph.D.**

**Where:** Helena, MT

**When:** August 3 - 7, 2011

**Contact:** Barbara Thomas ~ 406-227-8401 ~ [neucelebration@gmail.com](mailto:neucelebration@gmail.com)

**Prerequisites:**

- » Completion of Skills Development Workshop with Jeri Ryan or a basic animal communication workshop with another teacher
- » Experience practicing animal communication with a minimum of ten (10) consultations

**Objectives:**

- » Learn philosophy, values and ethics of counseling and problem solving with animals and their persons.
- » Understand the deeper and broader substance of the problem from the perspective of the animal's culture and life situation.
- » Learn counseling context and practices.
- » Conduct a real life consultation including all of the above.

Enrollment is limited so Jeri can give individual attention and support to each person, and so the group can become solid and cohesive in a positive learning environment.

Four and one-half days packed with information and practice.

Early registration (by July 11, 2011): \$525 Register early to reserve your space.
